

Fundacja
IB Polska **IB**

Internationaler Bund Polska, in Krakow

20 years IB Polska Foundation making positive impact on local and international groups of people through projects - **Foundation was established in Krakow in 2004.**

16 years of experience in hosting ESC-volunteers since 2008.

The main goals and mission :

- **helping people** to develop themselves in different areas and **planning their own future life,**
- **to integrate** with the society,
- **to be responsible for themselves**
- to be **an active citizens** whose are helping to develop local communities and society.

The target groups:

- children, teenagers, young adults;
- seniors;
- people with disabilities and fewer opportunities.

IB Polska **carries out statutory goals by initiation** and supporting local and international programmes **based on the social,** economical, and political phenomena including education, culture, environmental protection, healthcare, social assistance and vocational and social rehabilitation.

Volunteer's activities

Support European Solidarity Corps project coordinators in daily task

- **help with the activities** of the IB Foundation and **IB's social media** + articles for Blog "ESC teach me something" + ESC Newsletter;
- **informing volunteers** about events and meetings;
- **taking care of the photographic** documentation.
- **helping in different projects** run by IB Polska or organizations that we co-work with.
- **prepare materials and promote ESC** by taking part in events and activities.

We're looking for someone that **likes to participate, organize in events and don't mind helping on weekends.**

To join to us good to have:

- **open for** challenges, creative, empathetic and **with good sense of humor.**
- **Organization and time management skills.**
- **Communications skills** will be an asset, you will cooperate with other people on daily basis.
- **Skills in photography,** writing, social-media content will be a great plus.

Volunteer profile

Additionally, you should **know how to brew a good coffee,** because the IB Polska **workers are coffee lovers ;)**
