

Integrational School in Waganowice / Zespół Szkół in Waganowice

It is an **integrational school** - a primary and secondary school **about 20 km away from Krakow.**

It is integrational because **it has students with and without disability.** The size of the classes and activities of the classes vary according to the present disabilities.

The main goals and mission :

To **improve the quality of life of our students.**

We also organize rehabilitation and educational classes for children with profound disabilities, as well as classes to support the early development of the youngest children.

Volunteer's activities

As a volunteer, you will **assist the teachers and educators with their classes.**

Usually our volunteers help in:

- **feeding** our disabled students, support them during lessons and activities;
- **help teachers prepare lessons** and educational materials;
- **care for order and cleanness in the school.**

It will be **adjusted to one's profiles and fields of interest**, thus the project will result with high satisfaction of achieved learning outcomes.

Volunteers will be **helping in educational process** with supervision of teachers;

This volunteering activity is a **great opportunity to work with students** from different age groups and different (dis)abilities.

Physical therapy, physical education and English **classes are only a few examples of other classes you could assist in.**

Make lots of crafts such as Easter baskets and mother day gifts.

The schedule is flexible and will be drawn up with you according to your preferences.

Expect to cook a lot of traditional Polish dishes but also to teach how to cook your own traditional dishes;

Please take in mind (!)

School is not in Krakow, **volunteer will be going by buses to the different town** (more or less 1 hour one way)

We are looking for someone **with good communicational skills** because **the project is based on communication with other people.**

We would like to host volunteers

- **All creative skills** - artistic or motor skills - can enrich the project.

Due to the nature of the target group and special **focus on work with children with disabilities, volunteer should not be afraid of disabled youth and their reactions.**

- Experience in work with children and youth **will be an additional asset**, however it is not compulsory.
